Whether you're inviting 20 or 160, we believe in giving you what you want, not telling you what you can have. So if you have something particular in mind, we have the necessary experience, reputation and contacts to arrange it for you. You might choose to have a string quartet playing when you arrive, for example, or a harpist to accompany your meal. And if you want a band or disco for your evening reception, we can see to that, too. We can also take care of the flowers, including buttonholes, bouquets and corsages, plus all the room decorations, from balloons and party favours to confetti and disposable cameras. And with our Wedding Planner providing support, advice and suggestions throughout, you can be completely hands-on, without feeling you have to do it all yourselves.

forget whose day this is.
